

15th Art & Wine Festival.

Accompanying the banners on the light poles will be the beautiful blooming flower baskets that adorn Main Street each year. A partnership has been established between PDA and MORE (Mother Lode Rehabilitation Enterprises). MORE's clients water the baskets throughout the season, and they do a terrific job! The Rhythm & Blooms Party raises funds in March to maintain and expand this "growing" project on Historic Main Street.

With so many exciting events and beautification activities being planned, there is a lot to see and celebrate in Placerville. These projects and events bring a sense of pride to those who live, work or visit this vibrant community! And there are many other special events to stimulate your senses, like the Bell Tower Brewfest, Antique & Craft Fairs, Car Shows and much more.
