

**For our Guests with Mobility Concerns:**

The Ranches of the Apple Hill® Growers Association are working farms and many have uneven terrain and Port-a-Potties. There are some ranches, though, that are large enough for more paved areas and/or “real” bathrooms, making them a bit more user-friendly for our guests in wheelchairs and those who have vision or walking limitations.

The following ranches notified the Apple Hill® office that they can easily accommodate our visitors with limited mobility:

- #1 High Hill
- #3 Boa Vista
- #9 Larsen Apple Barn
- #10 Rainbow Orchards
- #11 Bavarian Hills Orchard
- #17 Grandpa’s Cellar
- #18 O’Halloran’s Apple Trail Ranch
- #24 Honey Bear Ranch
- #35 Bill’s Apples/Felice’s Dolls
- #36 Jack Russell Farm Brewery
- #38 Abel’s Apple Acres
- #40 Fudge Factory Farm.

Most of the other ranches are able to accommodate disabled guests depending on the nature of the disability- please call your favorite ranch directly to see how they can most easily help you. The ranches wish to be as accessible as possible for all visitors- there is something at the Apple Hill® ranches for everyone to enjoy!
